MATHLETICS

Students Grades 1-8 (**NOT NEW STUDENTS**) have been assigned to use Mathletics over the summer to practice all of the skills you have learned this year and to get ready for the beginning of next school year. Students have 24/7 access to Mathletics through a unique username and password.

Over the summer months:

- **Incoming Grades 1-3 are responsible for earning 3 Mathletics Certificates.**
- **Grades 4-8 are responsible for earning 4 Mathletics Certificates.**
- Students can only receive one certificate each week (awarded when 1000+ points are earned), Sunday to Sunday.
- Points can be earned by practicing Curriculum Activities in the center of the screen, or Live Mathletics fluency challenges at all ten levels. Remember that curriculum activities are worth more points than Live Mathletics and can be completed up to three times for points!
- You can access the library from any desktop, laptop or iPad by downloading the Mathletics Student App.
