Students will be traveling from class to class, so they must use a "sports type" drawstring bag. These bags should be able to hang on the back of a chair. Backpacks may not be used for carrying books from class to class, however, students may bring their books to and from school using a backpack.

Chemical Splash Impact Goggle (science goggles), which can be purchased at Home Depot, Walmart, or Staples or Amazon. They should wrap around the eyes, not be a sunglass-type goggle.

Please send in a check in the amount of \$10.00 to school on the first day to purchase the "Student Special Supply Order". This money should be in a sealed envelope labeled with the **student's name, homeroom, and "6th Grade Supply Order."** Included in this amount is the following:

*2 theme tablets

*1 student planner

***Make checks payable to *St. Joseph Grade School*.**
